Cymorth Dychwelyd I'r Gwaith i Weithwyr Greadigol

Hwylusydd Dysgu a Gweithredwr Marchnata a Gwybodaeth Llawrydd

Rhaglen sgiliau a datblygu yw CULT Cymru sy'n cefnogi gweithwyr creadigol ledled Cymru. Fe'i rheolir gan BECTU, sector o'r undeb Prospect, mewn partneriaeth ag Equity, Undeb y Cerddorion ac Undeb yr Ysgrifennwyr ac fe'i cefnogir trwy Gronfa Ddysgu Undeb Cymru, Llywodraeth Cymru.

Oherwydd yr argyfwng a achoswyd gan bandemig Covid 19, mae CULT Cymru wedi derbyn cyllid gan Cymru Greadigol i gyflogi dau person llawrydd i weithio gyda Rheolwr Sgiliau a Datblygu a'r Cydlynnydd y cynllun. Bydd y llawryddion yn gyfrifol am darparu a hyrwyddo gweithgareddau dysgu ymarferol ac yn cyfeirio gweithwyr creadigol at gwybodaeth a fydd yn eu cynorthwyo i ddychwelyd i'r gwaith mor ddiogel ac hyderus â phosib.

Return to Work Support 4 Creative Workers

Freelance Learning Facilitator & Freelance Marketing & Information Executive

CULT Cymru is a skills and development programme that supports creative workers throughout Wales. It is managed by BECTU, a sector of Prospect, in partnership with Equity, the MU and the Writers Guild of GB and is supported via the Welsh Government's Wales Union Learning Fund.

Given the crisis caused by the Covid 19 pandemic CULT Cymru has received funding from Creative Wales to engage two freelancers to work with its Skills and Development Manager and Co-ordinator. The freelancers will deliver practical learning activities and sign post creatives to information that will empower them to return to work as safely and as well-equipped as possible.

Activities will include organising a range of workshops and events and sign-posting creative workers to other Welsh Government supported services e.g. the Screen Wales database, Business Wales, the Skills Gateway and other appropriate industry and non-industry learning and support programmes e.g. Wales TUC's wellbeing resources, HE and FE provision, Screen Skills, Re-act etc.
