**FOR TRADE UNION RIGHTS – HUMAN RIGHTS –
INTERNATIONAL SOLIDARITY – FIGHT AUSTERITY**

**CELEBRATING OUR VICTORIES & OUR STRUGGLES
CELEBRATING WITH WORKERS WORLDWIDE ON MAY 1st
SUPPORTING WORKERS FIGHTING FOR THEIR NEEDS**

In this increasingly globalised capitalist economy we have to fight
* for what we have won so it is not stolen from us (like the NHS,
universal education & pensions)

- and for what we need such as good public housing, proper safety at work & where we live and equality for all.

We have seen what unfettered private greed leads to with Grenfell and in the corridors of our hospitals. We fight for a better world based on class justice. We want an end to the society that pours massive riches on the top fatcats whilst cutting our pay & social benefits. After Brexit we have to fight for our employment & social rights. We also have to expose the continuing racist attitudes that have most recently been shown up by the treatment of the Windrush generation.

We will be welcoming workers from our many international communities and migrant worker organisations on May Day.

JOIN US ON MAY 1st
