

Branch Rates Policy

The Production Branch has issued a Minimum rate card. BECTU urges all members not to accept any work below the relevant 'Minimum Rate' at all times.

This rate card lists a series of Hourly Rates (HR) that will be charged for specific work-grades, working in specific sectors.

For the Branch's Terms & Conditions, please refer to the current BECTU-PACT Agreements for TV Drama and Feature Films. For those not engaged in the Feature Film or TV Drama sectors, the rates below should help to inform your negotiations whilst official agreements are put in place.

The Production Branch is working towards cross-departmental rate parity by the use of PARITY BANDS as to allow for fluctuations in levels of experience.

All below rates include Holiday Pay rolled in.
